

November 12- 18 is National Apprenticeship Week

Often referred to as the “other 4-year degree,” apprenticeships are replacing the traditional college path for many career-oriented job seekers who prefer to earn as they learn.

- 168 Registered apprenticeship programs in AZ
- 4,103 Apprentices actively participating in apprenticeship programs in Arizona
- 389,000 Apprentices have been hired by employers nationwide since January 2017
